Subject: Department of Local Government Finance letter dated September 26,  
2007

Dear Ms. Weston;

On September 26, 2007, Cheryl Musgrave, Commissioner, Department of Local Government Finance (DLGF) sent a letter to all State Auditor's. This letter requested certain information from you regarding "contracts and agreements related to your county's current CAMA and Property Tax and Billing Management System as well as the associated GIS, Analytics, Reporting, Document Management and Ongoing Maintenance/Support". This information was to include (1) original software purchases as well as add-on modules, customizations or special services as well as associated pricing structure(s), and (2) maintenance agreements for these software(s) as well as the associated pricing structure(s). If your county uses in-house staff to support and maintain your system, then you would need to send a letter to that effect.

As was noted in this letter the requested information was to be forwarded to the DLGF by Friday December 14, 2007, however Ms. Musgrave has requested that this information now be electronically submitted no later than this Friday

December 7, 2007, to Charlie Bell, Director of Operations, at  
cbell@dlgf.in.gov.

Please let me know as soon as possible if you are not going to be able to electronically submit this information by this Friday's date. Should this be the case, I will then make arrangements to come by your office on Friday and pick up copies of this information so that it does make it to our office on that date.

I thank you for your cooperation on this matter and apologize if this causes you any inconvenience.

Sincerely;  
Ken Daly  
Department of Local Government Finance
